Test adapter

Model No.
SR 370

Ordering No.
T01-1206

Product Description

The SR 370 test adapter is used for connecting the Sundström SR 200 full face mask to a measuring instrument for carrying out a fit test. The adapter is provided with a standard thread and is designed for screwing in to the filter thread of the mask. The adapter is intended only for temporary fit tests. It should not be used for normal work.
